NSIS STUDENT SCIENCE WRITING COMPETITION

2019

The Nova Scotian Institute of Science (NSIS) sponsors the NSIS 2019 Student Science Writing Competition, open to all students enrolled in a Nova Scotian University.

Winners will be featured on the NSIS website. The author of the winning paper will also be invited to submit the paper for publication in the Proceedings of the Nova Scotian Institute of Science.

Deadlines

January 27, 2019

Notification of intent to enter the competition

February 15, 2019

Final submission of the article

Submit your notification and final submission:

H. Bird, Writing Competition Coordinator

hbird@eastlink.ca

ESSAY TOPICS

Papers should be directed at a non-specialist audience with interests in science, and one of the following:

1

Presentation of your original scientific research or research in which you have significantly participated. Include insights into the significance of the research and applications.

2

A substantive original essay reviewing some aspect of current science, including its relevance, significance and/or application, and new analysis/perspective.

Prizes

\$500

for the best article written by an Undergraduate

\$750

for the best article written by a Graduate

Award Presentation:

Notification of awards will be made by email by the end of March 2019. Awards will be presented at 7:30 PM at the April 1, 2019 NSIS meeting.
